Rezin Orthopedics and Sports Medicine Raises Money at Orthopedic Open for United Way of Grundy County

September 23, 2010 – Rezin Orthopedics and Sports Medicine held its 7th Annual Orthopedic Open at the Nettle Creek Country Club on Friday, September 17th, 2010. The proceeds from this year's event were once again donated to the United Way of Grundy County.

The Rezin Orthopedic Open is an outing for patients who have had joint replacement surgery with Rezin Orthopedics. With over 1700 patients invited this year, the day was a celebration of restored ability and activity levels. Patients were treated to golf, goodie bags and dinner.

"This day really celebrates our patient's success stories," Keith Rezin, M.D. founder and president of Rezin Orthopedics and Sports Medicine said.

With over 100 golfers and 150 guests for dinner, the event has become a reunion for the physicians and patients, with many participants returning year after year to enjoy the day together.

Thanks to the generous community sponsors and Rezin Orthopedics, a check for \$2500 was presented to Karen Nall, Executive Director of United Way of Grundy County, to go toward their annual campaign.

"I am so grateful to the staff and volunteers of Rezin Orthopedics and Sports Medicine for their continued support of the United Way of Grundy County," Nall said. "The golf outing was a huge success because of their hard work and dedication to their patients and the community. Their financial support makes a valuable difference in the lives of many deserving individuals and families in Grundy County."
